NOTICE OF CHAPTER 13 PLAN TRANSMITTAL

The enclosed ☐ plan, ☒ modified plan is proposed by the debtor and was filed on
September 7, 2023. It has been served on you because the plan contains motions
that may adversely affect your interest.

Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated. This Plan may be confirmed and become binding, and included motions may be granted without further notice or hearing, unless written objection is filed before the deadline stated in the Notice. The Court may confirm this plan, if there are no timely filed objections, without further notice. See Bankruptcy Rule 3015. This plan includes motions to avoid or modify a lien, the lien avoidance or modification may take place solely within the chapter 13 confirmation process. The plan confirmation order alone will avoid or modify the lien. The debtor need not file a separate motion or adversary proceeding to avoid or modify a lien based on value of the collateral or to reduce the interest rate. An affected lien creditor who wishes to contest said treatment must file a timely objection and appear at the confirmation hearing to prosecute same.

debtor(s) believes the first lien on the property to be in the approximate amount of \$ 132,798.67

[insert other liens as appropriate]. As such, the debtor(s) believes there is inadequate equity available to satisfy your lien and seeks through the plan to reduce, modify or eliminate your lien.

The debtor's valuation of the property is based on: (a) comparative market analysis; (b) broker price opinion; (c) appraisal; or (d) other: _____, a copy of which is attached. All forms of relief sought by motion appear in Part 7 of the plan.

CHAPTER 13 OF THE BANKRUPTCY CODE

YOUR RIGHTS MAY BE AFFECTED

You should have received from the court a separate *Notice of the Hearing on Confirmation of Plan*, which contains the date of the confirmation hearing on the Plan proposed by the Debtor. This document is the actual Plan proposed by the Debtor to adjust debts. You should read these papers carefully and discuss them with your attorney. Anyone who wishes to oppose any provision of this Plan or any motion included in it must file a written objection within the time frame stated in the *Notice*. This Plan may be confirmed and become binding, and included motions may be granted without further notice or hearing, unless written objection is filed before the deadline stated in the *Notice*. The Court may confirm this plan, if there are no timely filed objections, without further notice. See Bankruptcy Rule 3015. If this plan includes motions to avoid or modify a lien, the lien avoidance or modification may take place solely within the chapter 13 confirmation process. The plan confirmation order alone will avoid or modify the lien. Date of Plan being modified: FEBRUARY 27, 2021.

<p>Explain below why the plan is being modified:</p> <p>To provide for the payment of post-petition mortgage arrears (To be addressed through an order to be submitted to the Court by the mortgagee). The plan is also being modified to provide for payment of post-petition condominium association dues arrears, in full and completely, before payment on other claims, except administrative expenses. Administrative expenses are to be fully paid before payment on any claim.</p>	<p>Explain below how the plan is being modified:</p> <p>The plan term is remaining the same. Payments are reduced since the Debtor is currently disabled and not working and then increase at the time when the Debtor believes he will be returning to work. No other material changes to the plan. Amended income and expense schedules have already been filed in connection with the previously filed modified plan. No material change in income or expenses since last amended income and expense schedules were filed. Though the Debtor has a prosthetic leg, he is still not employed, but hopes to be working in the near future. The new plan also provides, consistent with the Court's suggestion, that the post-petition condominium arrears, due to the Oaks at North Brunswick Condominium Association, Inc., are to be paid in full and completely, before payment on other claims, except administrative expenses.</p>

INTENDED USER: THE INTENDED USER OF THIS APPRAISAL INCLUDES THE CLIENT, THE CLIENT'S ATTORNEY AND OR ACCOUNTANT AND THIRD PARTIES WHICH MAY INCLUDE TRUSTEES, CREDITORS AND THE BANKRUPTCY COURT.

INTENDED USE: THE INTENDED USE OF THE APPRAISAL IS TO ESTIMATE THE MARKET VALUE OF THE SUBJECT FOR BANKRUPTCY PURPOSES.

SCOPE OF WORK: THE SALES COMPARISON APPROACH TO VALUE WAS USED IN THIS REPORT. THIS METHOD BEST INDICATES ACTIONS OF THE MARKET FOR THIS TYPE PROPERTY. THE COST APPROACH IS NOT APPLICABLE FOR TOWNHOUSE/CONDOMINIUM DWELLINGS. THE INCOME APPROACH TO VALUE WAS NOT UTILIZED DUE TO THE LACK OF SINGLE FAMILY SALES THAT WERE SOLD WHICH WERE RENTED IN ORDER TO ARRIVE AT A GROSS RENT MULTIPLIER.

HIGHEST AND BEST USE: THE SUBJECT AS IMPROVED AS A CONDOMINIUM IS A LEGALLY PERMISSIBLE USE BASED ON IT'S CURRENT ZONING. BASED ON CURRENT MARKET CONDITIONS, THE PRESENT USE AND STRUCTURE AS A CONDOMINIUM IS IT'S FINANCIALLY FEASIBLE AND MAXIMALLY PRODUCTIVE USE.

THE SUBJECT HAS NOT BEEN SOLD IN THE PAST 36 MONTHS.

THE SUBJECT HAS NOT BEEN LISTED FOR SALE IN THE LAST 12 MONTHS.

DEED TRANSFER FOR COMPARABLE 2 ON 03/07/2018 FOR \$88,000.

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale. (Source: FDIC Interagency Appraisal and Evaluation Guidelines, October 27, 1994.)

* Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgement.

STATEMENT OF LIMITING CONDITIONS AND CERTIFICATION

CONTINGENT AND LIMITING CONDITIONS: The appraiser's certification that appears in the appraisal report is subject to the following conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is valued on the basis of it being under responsible ownership.
2. Any sketch provided in the appraisal report may show approximate dimensions of the improvements and is included only to assist the reader of the report in visualizing the property. The appraiser has made no survey of the property.
3. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
4. Any distribution of valuation between land and improvements in the report applies only under the existing program of utilization. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used.
5. The appraiser has no knowledge of any hidden or unapparent conditions of the property or adverse environmental conditions (including the presence of hazardous waste, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. This appraisal report must not be considered an environmental assessment of the subject property.
6. The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
7. The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
8. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that completion of the improvements will be performed in a workmanlike manner.
9. The appraiser must provide his or her prior written consent before the lender/client specified in the appraisal report can distribute the appraisal report (including conclusions about the property value, the appraiser's identity and professional designations, and references to any professional appraisal organizations or the firm with which the appraiser is associated) to anyone other than the borrower, the mortgagee or its successors and assigns; the mortgage insurer; consultants; professional appraisal organizations; any state or federally approved financial institution; or any department, agency, or instrumentality of the United States or any state or the District of Columbia; except that the lender/client may distribute the property description section of the report only to data collection or reporting service(s) without having to obtain the appraiser's prior written consent. The appraiser's written consent and approval must also be obtained before the appraisal can be conveyed by anyone to the public through advertising, public relations, news, sales, or other media.
10. The appraiser is not an employee of the company or individual(s) ordering this report and compensation is not contingent upon the reporting of a predetermined value or direction of value or upon an action or event resulting from the analysis, opinions, conclusions, or the use of this report. This assignment is not based on a required minimum, specific valuation, or the approval of a loan.

CERTIFICATION: The appraiser certifies and agrees that:

1. The statements of fact contained in this report are true and correct.
2. The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions and are my personal, impartial and unbiased professional analyses, opinions, and conclusions.
3. Unless otherwise indicated, I have no present or prospective interest in the property that is the subject of this report and no personal interest with respect to the parties involved.
4. Unless otherwise indicated, I have performed no services, as an appraiser or in any other capacity, regarding the property that is the subject of this report within the three-year period immediately preceding acceptance of this assignment.
5. I have no bias with respect to the property that is the subject of this report or the parties involved with this assignment.
6. My engagement in this assignment was not contingent upon developing or reporting predetermined results.
7. My compensation for completing this assignment is not contingent upon the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.
8. My analyses, opinions, and conclusions were developed, and this report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice that were in effect at the time this report was prepared.
9. Unless otherwise indicated, I have made a personal inspection of the interior and exterior areas of the property that is the subject of this report, and the exteriors of all properties listed as comparables.
10. Unless otherwise indicated, no one provided significant real property appraisal assistance to the person(s) signing this certification (if there are exceptions, the name of each individual providing significant real property appraisal assistance is stated elsewhere in this report).
